Perum GAS CC4/20 Cileungsi, Bogor, Jawa Barat

I am a Student in Information System, Universitas Komputer Indonesia, I intend to utilize my academic knowledge and practical skills to contribute. I have strong problem-solving skills and a keen interest in emerging technologies. I have good communication skills and adapt easily to the work environment and I am ready to get involved in hands-on projects and collaborate readily with the team.

EDUCATION

Univesity of Komputer Indonesia

Bachelor in Information System

Bandung

2021 - Present

I am an active student at UNIKOM and I am also active in organizations such as HIMA, UKM and other internal organizations. During the organization, I have gained a variety of experiences from various places, by appearing as a campus representative at every event held outside the campus, such as cooperation in building villages, workshops for children in remote elementary schools and international cooperation with speakers from abroad.

WORK EXPERIENCE

SDIT BIN BAZ Rejang Lebong

Teacher, Contract Employee

Bengkulu

July 2020 - July 2021

SDIT BIN BAZ is a swasta school located in rejang lebong, curup, Bengkulu. I was given the opportunity to teach as a training teacher for 1 year with a load of 38 hours / week.

- Provide theory to students to improve Arabic language skills in 4 aspects (reading, listening, writing and speaking) by applying during language classes.

Kantor Pusat J&T Express Ciracas

Warehouse Operator, Contract Employee

Jakarta Timur

August 2021 - December 2021

J&T Express Ciracas Head Office, Jakarta became the largest shipping warehouse in Indonesia. I was assigned to the warehouse department to receive, store, and ship goods in the warehouse in accordance with applicable standards and procedures.

- Checking goods with a machine detector to be loaded into the goods truck.
- Operate warehouse equipment, such as barcode scanners, and others.

Core Initiative Studio

Frontend Developer, Internship

Bandung

December 2023 - January 2024

Frontend Project Based Internship Core Initiative Studio is an internship-based project organized by Rakamin collaboration with Core Initiative Studio. I have completed an independent internship-based program at one of the "core initiative" companies as a frontend developer. By using Vue JS as a framework, I can broaden my knowledge as an expert frontend developer.

ORGANIZATION

Pendidikan Dan Pengembangan
